LETTER TO RESIDENTS AND TAXPAYERS

As we begin a new year, we would like to take this opportunity to recount the accomplishments of 1988. The year 1988 was a busy and a rewarding one for the Board of Selectmen, as we worked towards fulfilling our goals. We were very happy to realize a stabilizing of our tax rate, after several yearly increases.

The computer is on line and it is being used for tax billing, word processing, budget management, voter check lists, and anything else that Cindy can think of.

The dump remains our main problem for the years ahead. We ordered a compactor to comply with an order to close the dump and start snipping our trash out of town. This order was delayed when the Diamond Land Sale prevented us from purchasing the land next to the dump for a compactor site and transfer station, we expect to have this problem solved during 1989.

The Cote Bridge was repaired because it was considered a historic bridge (the good news is the State and Federal Government paid). A new heavy duty bridge will be built beside it starting next year.

The warrant articles presented to you in this report reflect what we consider good long term planning for the town.

We would like to thank all of you who helped us during the year.

Chief Ron Lunn and all the members of the Stark Fire Dept. for your efforts during a very busy year.

Chief Francis Hopps, Jr. for staying with us throughout the year.

Road Agent, Jim Gibson for your efforts on the roads.

Adm. Assist, Cindy Boivin for your above and beyond efforts with the computer programs and for participating in the appraisal seminar in Concord last year.

Town Clerk/Tax Collector, Deborah Cote for taking over a very difficult job and doing so well at it.

Town Treasurer, Linda Caron who has kept all our figures.

Town Auditors, Diane Daley and Joanne Benoit who have gone over our figures so many times during the year.

James Eick and Robert Fink for their computer knowledge and help with our tax programs.

And thanks to our taxpaying citizens for your patience with town government.

AUDITOR'S TOWN REPORT

During the fiscal year of 1988, we had two distinct auditing periods. The first was from Jan. 1, 1988 through Sept. 1, 1988, when the position of Town Clerk/Tax Collector changed hands. Our findings during this time frame shows irregularities in the accounts. Because of our concerns we requested a State audit by professionals.

During our second auditing period, we found all the books in reasonable good order with minor addition-subtraction errors, which have been corrected.

It appears that at the end of the fiscal year for 1988, we have a balance of \$215,539.02 on hand.

Submitted to the best of our ability.

We had a pretty successful year in 1988. We had a change in trustees and a new librarian. Everyone worked hard to make a noticeable difference in the library. We hope to purchase many new books for the children in the upcoming year. We would also like to generate some interest within the adult community. We have many new adult books that no one is using. If you can't make our hours, please call one of us. We would also like to introduce our new librarian for 1989, Jean Minichello. Welcome!! We are looking forward to your patronage in 1989.

REPORT OF POLICE DEPARTMENT

This Department covered the Fiddler's Contest again this year with the support of the Coos County Sheriff's Department, NH State Police and officers from surrounding towns.

I would like to thank all the town's people who have giving me support throughout the year. As you know, I did not run for this office in 1988, however, due to the unavailability of qualified people, I remained as your Town Constable.

I am looking forward to working with and for all Stark's fine citizens in the year to come.

VISITS

Skilled Nursing	88

Home Health Aide	76
Homemaker (units)	421

Other services provided for which statistics were not kept, as these are non-chargeable, include maternal child health visits, clinic services, evaluation visits, and supervisory visits.

We are asking each community serviced for the same level of support based on \$3.73 per capita.

Requested support	\$1723
Based on population of	462

Thank you for your interest and support which enables Weeks Home Health to continue providing community health care.

Cordially,

Sharon E. Covill, RN, ESN

NORTH COUNTRY COUNCIL, INC.
ANNUAL REPORT

North Country Council observed its sixteenth year of successful operation in 1988. The Council, chartered under NH RSA 38:43, provides non-profit local and regional planning assistance to member municipalities. The Board of Directors determined that last year's work program would focus on community planning, economic development, solid waste, transportation and housing. The Council maintains four standing committees which monitor local issues and determine Council policy. Overall, the Council's major objective is to work with North Country towns in solving local and regional problems.

In STARK, the Council attended several Planning Board meetings to discuss subdivision regulations, master planning, lot size based on soils capability ordinances, impact fees and zoning. Additionally, the Council worked with STARK's engineers in providing improved operating services at the Town dump and represented STARK at Upper Grafton/Lancaster Area Solid Waste District meetings.

In summary, it is important to understand that the North Country Council is organized and administered for the benefit of its constituents, local town governments. Our future success is, in large part, contingent upon your participation in Council activities. We rely on and appreciate involvement of town officials and residents and look forward to assisting your town this coming year.

MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS

The Stark Village School started this year with the same faculty as last year. Although to some this may not seem very important, I believe that this fact has played a key role in having the students experience a good education. As the teachers and children get to know each other better and understand the rules, we will see academic growth. We are fortunate to have a dedicated staff that understands and appreciates the advantages and the problems associated with teaching in a small rural schoolhouse.

Once again, there are articles in the school district warrant to have voters consider an addition and renovations to the Village School and/or construct a new school on a different location. This issue is not a new one and has in the past, caused some strong disagreements. Both the school board and the building committee have worked very hard to present proposals for your consideration. The joint committees have sponsored several informational meetings and have held a public hearing. An effort has been made to consider all suggestions and answer all the questions. I am sure that there will be more questions and discussions before the vote is taken on these articles. I hope that every voter in the town will make an effort to learn about the facts on these articles and will come to the annual meeting to participate.

Please note that, at the request of some of the voters, the school district meeting is on a different day than the town meeting. The school district meeting shall be held on Saturday, March 11, 1989, at 1:30 P. M. at the Town Hall. Also, it is important to note that there are separate articles on the bond issue. Each must be voted on separately and the polls must be open for one hour on each bond article. It will be a long meeting, but I hope that all registered voters will exercise their constitutional right and come and vote.

Respectfully submitted,

Warren E. Bouchard
Superintendent of Schools

STARK VILLAGE SCHOOL
HEAD TEACHER'S REPORT 1988 - 1989

In September when classes resumed, Stark school children were met by many familiar faces. For the first time in a number of years the faculty returned. The only new face this year was that of the new Resource Room aide, Mrs. Jean Knight. Kindergarteners and special education students were welcomed back by Mrs. Paula Harvard. First and second graders were met by Miss Isabelle Benoit. Mrs. Nancy Spaulding welcomed third and fourth graders, while fifth and sixth graders were met by Mr. Michael Smith. Chapter One aide, Mrs. Jeannine Astle was also with us again. After Christmas, we were joined by Jayne Donanua, who now teaches Art at Stark Village School.

There was some new equipment in each classroom when school opened and more arrived as we settled in. The reading textbook series is now in place and we hope to get a new Spelling series, in the near future.

Although we have gained new students since September, we have lost an equal number and our enrollment remains around 62, up from 57 last year.

A great addition to our winter programs was the purchase of 17 pairs of snowshoes by the Stark Improvement Fund. They recently purchased 4 more pairs to accommodate our largest class of 21. These snowshoes have provided much enjoyment to all the school children and gum-time nikes are anticipated eagerly by all.

We want to thank the community for their support of our school-wide fundraiser last Fall. We raised more than we expected to and the money will be used for extra playground equipment.

Many of you have probably already seen the children enjoying the Wei-Bobs on the snowbanks in the school year.

Again this year, we are participating in the St. Jude's Hospital Math-a-Thon. The children practice Math skills while earning pledges for the hospital and those less fortunate than themselves. We were proud of the amount sent to the Hospital last year.

We all appreciate the cooperation and support we have received from the parents, the School Board, the SAU office and the townspeople of Stark as we work toward improving the education for the students at Stark Village School.

We try to keep you informed of the happenings at Stark Village School with a monthly article in the Coos County Democrat. For a first-hand view, bring your snowshoes and join us for a trek through the woods or a walk along the river or perhaps play a computer game with your child. You are always welcome at Stark Village School.

Respectfully submitted,

Nancy K. Spaulding, Head Teacher
